NMSU Marquee Use Guidelines

Major Campus Event Posting Guidelines

While priority marquee messaging is for all Athletic and Special Events, in recognition of major University events that are of importance to the total University community but not held in the identified venues, (Pan American Center/Athletic Facilities) one rotation per minute is available. The Office of the President or designee will be responsible for approving posting requests for such major campus events. Examples of these events include: Commencement, Homecoming, Student Registration, the Domenici Conference, Welcome Back Student Weekend and NMSU Celebrates Black History Month;

- Informational requests and message design will be coordinated and inputted by the Office of Special Events. Messages will be limited to simple block lettering if designed ad panels are not provided.
- Currently no commercial/paid advertising is allowed.
- All content advertised must be related to the campus and to campus activities and events.
- Content must be informative, courteous, accurate, fair and not defamatory.
- The Office of Special Events reserves the right to edit and design messages for clarity, brevity and propriety both before and during the display period.
- Messages will run for a minimum of five working days prior to the beginning date of the event.
- Approved requests to broadcast on the marquee are not guaranteed. During periods of heavy volume, the Office of Special Events will prioritize requests.

Posting Procedures

The process outlined below should be followed to request authorization for major campus event messages:

- Announcements must be submitted at least two weeks (10 business days) prior to the scheduled broadcast.

- Communication regarding approval will be made by the Office of Special Events back to the requestor
- Display messages need to be extremely brief. 15 words or fewer are recommended.
